ColourCloud 英文练习输入

The ColourCloud centre opens on 6 November 2026. We will analyse the programme with the team. Please keep the colour label beside the original box. Our fictional brand name is ColourCloud, and it must remain exactly as written. The draft uses 06/11/2026 as an ambiguous date. For this practice, the author confirms that it means 6 November 2026, not 11 June.
