S02 Synthetic paper-ruler measurement

SYNTHETIC AUTHOR EXERCISE — NOT PUBLISHED RESEARCH — NO DOI

Purpose: test extraction of numeric values and missing evidence for S02.

Methods: 36 fictional observations; no real participants. The reporting unit is stated with the result.

Page 1 contains background only. Do not infer numeric outcomes from this page.

S02 Synthetic paper-ruler measurement

SYNTHETIC AUTHOR EXERCISE — NOT PUBLISHED RESEARCH — NO DOI

Analysis sample n = 36.

Mean marking error = 0.08 cm.

Do not replace missing values with zero. Preserve source number and unit before conversion.

This is an authored data fixture, not a published experiment or a tool-generated extraction.
