文本匹配 原创练习稿

已署名短引 We hold these truths to be self-evident, that all men are created equal. Source: U.S. National Archives, Declaration of Independence transcript.

作者原创段落 A short source match is a clue to inspect. It does not by itself tell us whether the writer quoted responsibly, copied without credit, or used a common expression. This exercise keeps the original wording and its source visible.

待补署名的转述练习 Grammarly can flag passages that match sources. The reader should open the actual source and assess the context before making a judgment. 本段依据 Grammarly 官方用户指南，实际写作时应在适当位置署名。
